### Business Unit Overview

The Division of Peri operative and Critical Care services is responsible for the provision of services within Western Health including Intensive Care and Cardiology.

The Western Health Cardiology services provide inpatient and outpatient cardiac services across both Footscray and Sunshine hospitals. Each site has a Cardiac Care Unit (CCU), Cardiac Catheterisation Laboratories (CCL), and provides Cardiac Diagnostic services across site.

The CCUs provide care for patients with acute coronary syndromes, arrhythmias, and decompensated heart failure as well as patients undergoing elective cardiac procedures. Each CCU consists of acute CCU beds and telemetry monitored beds. The CCU team provide the 24-hour cardiac arrest nursing team to both Footscray and Sunshine Hospitals. The Cardio-Geriatric Heart Failure inpatient service is also accommodated within the CCUs.

### Our Vision

Together, Caring for the West  
*Patients – Employees – Community – Environment*

The CCLs provide both diagnostic and interventional coronary procedures and electrophysiology services for inpatients and outpatients. The CCLs provides a 24-hour on-call service for urgent percutaneous coronary interventions, and participate the Pre Notification STEMI service in collaboration with Ambulance Victoria.

The Cardiac Diagnostic service is situated at both Sunshine Hospital and Footscray Hospitals and involved in planning for New Footscray Hospital due to be completed in 2025.

The service provides Cardiac Physiologist staff to the CCLs as well as providing and supporting inpatient and outpatient investigations and procedures. A full range of echocardiography services are offered along with ECG and Holter monitoring including Trans-thoracic Echocardiograms, Trans-oesophageal Echocardiograms, Echo and Dobutamine Stress echo Tests.

The Paediatric Cardiology service is part of the Division of Women's & Children's Health and provides inpatient and outpatient Fetal and Paediatric Cardiology services. The Cardiac Physiologist employed within these services perform echocardiography, ECG, Holter monitoring and exercise stress testing for both outpatient clinics and inpatients in the Paediatric ward and Special Care Nursery..
