- Perform other tasks and responsibilities, within scope of practice, as required

Business Unit Overview

The Operations Directorate is one of the largest and most complex directorates within Western Health providing Western Health's patient care and contacts. These services range from outpatients to inpatients, theatres to Intensive Care, birthing rooms and Emergency Departments and many more services.

Allied Health provides a range of evidence based, client centred, specialist services at Western Health, across the care continuum, from admission within the emergency department through to discharge in the community. These services work across the spectrum of life, from neonates to the elderly. The predominant focus of Allied Health is the return and optimisation of an individual's function, and wellbeing, from both physical and psycho-social perspectives. Activity is aligned with Western Health's Best Care Model and

Our Vision

Together, Caring for the West
Patients – Employees – Community – Environment
